# Muhammad Hasnain

WordPress Developer | SEO & Google Sheets Specialist

## PROFESSIONAL PROFILE

Results-oriented WordPress & E-Commerce Developer and Data Specialist with deep expertise in building high-performance WooCommerce stores, executing technical On-Page SEO, and managing accurate product inventories via Google Sheets. Adept in Elementor Pro, PageSpeed optimization (90+ scores), Google Search Console auditing, and designing automated data tracking spreadsheets for business growth.

## PROFESSIONAL EXPERIENCE

### WORDPRESS, SEO & DATA SPECIALIST

Freelance Web & E-Commerce Consultant | 2024 - Present

- Developed bespoke WordPress websites and Elementor Pro landing pages with conversion-focused UX.
- Architected full WooCommerce stores with AJAX sliding cart drawers and dynamic variant selectors.
- Managed large-scale product catalogs, SKU inventories, and pricing lists using advanced Google Sheets formulas.
- Integrated Google Sheets with website lead forms for automated inquiry tracking and CRM logging.
- Executed comprehensive On-Page SEO, meta descriptions, image ALT attributes, and sitemap indexing.
- Monitored Google Search Console metrics, fixed crawling errors, and boosted organic search rankings.
- Streamlined site assets, database queries, and caching plugins to achieve 90+ Google PageSpeed scores.
